

JUSTIN SHADY

WRITER | PRODUCER | OCCASIONAL HUMAN

I AM:

I've had books published, movies made, and interviewed everyone from Kermit the Frog to Charles Manson. Seriously. I've developed film/TV projects with some of my heroes, had a screenplay make the Black List in 2016, and directed a live-read event of the script in 2017. The cast featured Jon Hamm, Randall Park, Paul Reubens, Aya Cash, and others.

I DO:

Writing, copywriting, screenwriting, editing, proofreading,... you get the idea. If it deals with words, that's my jam.

I'VE WORKED WITH:

FILM + TV

Disney, The Jim Henson Company, Kevin Hart's HartBeat Productions, Warner Media, Lionsgate, YouTube, WWE Films, Rooster Teeth, and The Weinstein Company which, at this point, I should probably take off my resumé.

PUBLICATIONS + WEBSITES

Variety, The Hollywood Reporter, The Onion's A.V. Club, Myspace, O.C. Weekly, Chicago Magazine, Cracked, and a slew of others that have slowly slipped out of memory over the past two decades. I blame my kids. And the booze.

BOOK PUBLISHERS

Image Comics, McGraw-Hill, Shadowline Comics, Silverline Books, Wide Awake Press, and a couple others that didn't pay very well and therefore don't deserve getting a name-drop on my resumé.
