INT. HOTEL (BALLROOM) - DAY

DONALD TRUMP (69), loudmouthed presidential candidate and human piece of shit, steps out from behind a curtain and approaches a podium as REPORTERS try to get a question in.

REPORTERS (O.S.)
(together, loudly)
Mr. Trump! Mr. Trump!

DONALD TRUMP
(pointing)
Yes, you. Go ahead.

REPORTER #1 (O.S.)
Mr. Trump, *The Weekly Standard's* Bill Kristol announced today that he's found a third-party opposition candidate in conservative lawyer David French. What was your initial reaction to Kristol's announcement?

DONALD TRUMP
Well, you know, Bill Kristol, that guy, he's just a lightweight, you know? He's a loser, a dummy. So... there you have it.
(pointing)
You.

REPORTER #2 (O.S.)
What are your thoughts then on French as a potential challenger to your run for the presidency?

DONALD TRUMP
(shrugging)
This guy, his name is David French, which means... you know, he's got French in his name. Everyone knows that the French are just beret-wearing morons. Sure, they had Napoleon who, to be fair, I liked, but everyone else in French—

REPORTER #2 (O.S.)
(correcting)
France.

DONALD TRUMP
Whatever. They're just idiots. If they weren't so damn dumb, maybe they could've stopped last year's terrorist attack. Who knows, right?

REPORTER #2 (O.S.)

Are you saying that, because of his last name, David French represents all French people? And that they themselves are responsible for last year's terrorist attacks in Paris?

DONALD TRUMP

David French, French people, French's mustard... honestly, all of their foods. Their fries, their breads, their dressings. All of 'em. Everything French is just stupid ding-dongs and ho-hos, you know? Except French Stewart, he's okay. I like that gay little alien.
(pointing)
Go ahead.

REPORTER #3 (O.S.)

Sir, French Stewart just tweeted a reply to your quote—

DONALD TRUMP

(interrupting)
The one I just said?

REPORTER #3 (O.S.)

Yes, sir. He stated: "I'm not gay or an alien. That was a character I played on a TV show 15 years ago. What the fuck is wrong with this guy?" Any response?

DONALD TRUMP

I never liked French Stewart. He's a gay little alien moron. And you know how I feel about aliens, right? They're murderers, they're rapists. And some, I assume, are good people.

REPORTER #2 (O.S.)

Are you referring to Mexicans again, Mr. Trump?

DONALD TRUMP

No, aliens. You know, little green men with antennae and anal probes. Space-traveling lightweights, all of them.
(pointing)
Go ahead.

REPORTER #1 (O.S.)

Mr. Trump, the collective alien races of the entire universe just released a statement about what you just said, stating: "Contrary to popular belief, we actually *do* have the capacity to reach planet Earth. We're just knowingly staying away until Donald Trump dies. Also, we don't have anal probes. That's just a Hollywood construct." Thoughts?

DONALD TRUMP

See? I keep aliens out. You're welcome, America.
(pointing)
You.

REPORTER #4 (O.S.)

Any thoughts on French kissing?

DONALD TRUMP

Love French kissing. Next to American kissing, it's the best way to kiss, and I'm the best at it. I have all the best kisses. Just ask my daughter Ivanka.

REPORTER #2 (O.S.)

Ivanka just released a statement saying, "Dad, please stop saying shit like this at press conferences." Any reaction?

DONALD TRUMP

Ivanka's statement might sound bad, but it's not *bad bad*, okay? She means it in a good way, I'm sure. Like, not bad meaning bad but bad meaning good. You know, like the Beastie Boys used to say.

REPORTER #1 (O.S.)

Actually, those lyrics were first delivered by Run-D.M.C. in "Peter Piper" on 1986's *Raising Hell*.

DONALD TRUMP

What can I say? I like all the best bands, okay?

REPORTER #3 (O.S.)
 Run-D.M.C. just released a
 statement saying, "Donald Trump is
 like if herpes gave chlamydia
 gonorrhoea."

DONALD TRUMP
 Not surprising, not surprising.
 After all, what does the D.M.C.
 stand for, huh? Dummies. Morons.
 And Chinaman. Figures.

REPORTER #4 (O.S.)
 China just released a statement—

DONALD TRUMP
 (interrupting)
 The entire country?

REPORTER #4 (O.S.)
 It appears so. They state: "We look
 forward to melting your orange face
 off of your cyborg skull someday."

REPORTER #2 (O.S.)
 Peter Piper also just released a
 statement: "I'd be willing to pack
 my pickle down Trump's throat if it
 meant that he'd shut the fuck up
 for just five fucking seconds."

REPORTER #1 (O.S.)
 And the Beastie Boys just responded
 to Peter Piper's statement with
 this: "We'll give up on the freeing
 of Tibet if it means we get to
 watch Peter Piper face-fuck Trump
 on live television." Thoughts?

DONALD TRUMP
 Look, let me save you all a lot of
 time: Run-D.M.C. are all dummies.
 Peter Piper? He's a moron. And the
 Beastie Boys, I mean, come on.
 They're... dummies?

REPORTER #2 (O.S.)
 (re: dummies)
 You just used that one.

DONALD TRUMP
 Did I? Gotta be honest, I can't
 even keep them straight anymore.
 (MORE)

DONALD TRUMP (CONT'D)

Let's just call the Beastie Boys lightweights then, alright? I mean, come on, they're white rapper Jews, for crying out loud. And don't get me wrong, I love the Jews. I know all the best Jews. But I don't love white rapper Jews.

REPORTER #1 (O.S.)

The Anti-Defamation League just released a statement saying: "We would prefer you not love us."

DONALD TRUMP

What do they know? They're a league, okay? Everyone knows that all leagues are run by stupid, lightweight dummies. The Anti-Defamation League. *20,000 Leagues Under the Sea*. The Justice League. All of them, they're just a bunch of stupid, dumb-dumb, crap, poop, turd... morons. With fat moms.

REPORTER #4 (O.S.)

Batman just released a statement—

DONALD TRUMP

(interrupting)

Thank you, stupid fart faces.

Trump leaves the podium and disappears behind the curtain.
