

**SPOILER ALERT**

Written by  
Justin Shady

INT. SUBWAY - DAY

VICTOR sits talking on the phone on his way to work.

VICTOR  
What time are you off?  
(beat)  
And when does he get home?  
(beat)  
Perfect. Can't wait. See you then.

He hangs up.

LES, Victor's coworker, sits down next to him. Victor rolls his eyes, then ignores him by playing around on his phone.

LES  
Hey, Victor. Going in early, I see.

VICTOR  
Yeah. Have to leave early tonight.

LES  
For what?

VICTOR  
A... meeting.

LES  
Ah.  
(beat)  
You see the series finale of  
"Breaking Bad" last night?

VICTOR  
Not yet, but I DVR'd--

LES  
(interrupting)  
Spoiler alert! Walter kills Jesse.

Victor sits in astonishment for a beat. Then--

VICTOR  
Are you fucking kidding me?

LES  
What?

VICTOR  
You just ruined six years of  
television for me!

LES  
I said "spoiler alert."

VICTOR  
That's not how it works. You're supposed to say, "Spoiler alert!"  
(beat)  
And *then* ruin peoples lives. You can't just say it all at once.

LES  
Well, I'm sorry.

VICTOR  
(taking a breather)  
It's okay. I apologize if I overreacted. I just really love that show, you know?

LES  
Yeah.

Beat.

LES (CONT'D)  
"Fight Club" was on after.

VICTOR  
You know, I still have yet to--

LES  
(interrupting)  
Spoiler alert! Ed Norton is Brad Pitt.

VICTOR  
(yelling)  
Why would you do that?

LES  
I'm having a conversation!

VICTOR  
Ruining shit for people isn't having a conversation.

LES  
I'm sorry! I just get excited by surprise endings, okay? Forgive me?

VICTOR  
(sighing)  
Yeah, whatever.

Victor goes back to his phone, trying to ignore Les.

LES  
You ever see "The Prestige"?

VICTOR  
No...

Beat, as Victor waits for it to be ruined. It doesn't come, so he looks back down at his phone. Then--

LES  
Christian Bale is a twin and Hugh Jackman is cloning himself.

VICTOR  
Okay, now you're just being a dick. You're not even saying "spoiler alert" before it.

LES  
The village is in the middle of a national park!

VICTOR  
(angry)  
Motherfucker!

Victor frantically flips through the photos on his phone while Les passionately delivers a tirade of movie spoilers.

LES  
Gwyneth Paltrow's head is in the box! Bruce Willis is dead as soon as Donnie Wahlberg shoots him! Darth Vader is Luke's dad! Kevin Spacey is Keyser Söze! Soylent Green is people! Rosebud is--

VICTOR  
(interrupting)  
Spoiler alert!

Victor holds the phone out in front of Les' face.

VICTOR (CONT'D)  
I'm fucking your wife!

LES  
(re: the photo, confused)  
Sheryl?

VICTOR

Yep. Here, let me find an actual  
photo of her face for you.

Victor smirks with a shit-eating grin as he flips through  
more photos of Les' wife on his phone.

Les stares off into space, stunned, destroyed. Then--

LES

Spoiler alert. She has herpes.

Victor looks up wide-eyed.

THE END
